

Sustainable Development Goals

Quality Education

4 QUALITY EDUCATION

Access to education can enhance quality of life and prepare future leaders who will find solutions to global challenges. Providing education to children in technical, vocational, and entrepreneurial skills will serve as a foundation for sustainable development through scholarships and educational facilities, as well as eliminating gender disparities in access to education.

Sustainable Development Goals

Quality Education

Alnoor University achieved first place in the University Sustainability Scout Camp organized by the Ministry of Higher Education and Scientific Research / Supervision and Scientific Evaluation Authority – Student Activities Department, and hosted by the Northern Technical University with the participation of more than 41 public and private universities from across Iraq. Professor Dr. Yaseen Taha Al-Hajjar, President of Alnoor University, expressed his pride in this achievement, which reflects the spirit of excellence and discipline among the university's students and highlights the university's strong support for student activities as an essential part of building character and developing skills. Dr. Mohammed Abduljabbar, Director of the Student Activities Department at Alnoor University, affirmed that this success was the result of continuous effort and thorough preparation by the department and participating students, who demonstrated exceptional competence and scouting skills, adding a new accomplishment to the university's record of achievements.
