4 QUALITY EDUCATION

Access to education can enhance quality of life and prepare future leaders who will find solutions to global challenges. Providing education to children in technical, vocational, and entrepreneurial skills will serve as a foundation for sustainable development through scholarships and educational facilities, as well as eliminating gender disparities in access to education.

College of Health and Medical Technologies

The Department of Medical Laboratory Techniques at the College of Health and Medical Technologies, Alnoor University, organized an educational field visit for fourth-year students to Pharma Laboratory, with the presence and accompaniment of Asst. Prof. Dr. Hadi Mohammed Ahmeed, Head of the Department, and under the supervision of Prof. Dr. Ismail Ibrahim Dawood Salem from the College of Dentistry. The visit aimed to familiarize students with the workflow of modern laboratories and the methods of analysis and diagnosis applied in professional practice, thereby enhancing their practical skills and linking academic knowledge to the real-world laboratory environment.
