Sustainable Cities and Communities

11 SUSTAINABLE CITIES AND COMMUNITIES

Cities are hubs for ideas, trade, culture, science, production, social development, and other human activities. They play a crucial role in enabling people to achieve social and economic advancement. It is essential to mobilize support to ensure that policymakers are convinced of the need to include access to information in national and regional development plans.

Sustainable Development Goals

Sustainable Cities and Communities

Alnoor University participated in the University Fine Arts Festival organized by the Ministry of Higher Education and Scientific Research / Supervision and Scientific Evaluation Authority / Student Activities Department, held at Al-Kitab University with the participation of 42 public and private universities from across Iraq. This participation reflects Alnoor University's commitment to supporting its students' artistic and creative activities and enhancing its presence in academic events that highlight youth talents and artistic potential within higher education institutions.
