11 SUSTAINABLE CITIES AND COMMUNITIES

Cities are hubs for ideas, trade, culture, science, production, social development, and other human activities. They play a crucial role in enabling people to achieve social and economic advancement. It is essential to mobilize support to ensure that policymakers are convinced of the need to include access to information in national and regional development plans.

College of Administrative Technologies

On the occasion of the anniversary of the founding of the College of Administrative Technologies at Alnoor University, and in the presence of the University President, Prof. Dr. Yaseen Taha Al-Hajjar, and under the supervision of the College Dean, Dr. Mowaffaq Ahmed Al-Saydiya, a special celebration was held to mark the college's founding anniversary. The ceremony included distinguished segments that reflected the college's journey, its academic and administrative achievements, and its future aspirations, with the participation of its faculty members, students, and several university guests. Two speeches were delivered by the University President and the Dean of the College of Administrative Technologies, followed by a video presentation about the university and a lecture on the aspirations of the college's graduates as they enter the job market, delivered by Mr. Ali Fakhri Al-Nuaimi. College Day concluded with the opening of a student exhibition held on the sidelines of the celebration.
