17 PARTNERSHIPS FOR THE GOALS

The world today is more interconnected than ever before. Improving access to technology and knowledge is a crucial way to exchange ideas and foster innovation. Additionally, coordinating policies to help developing countries manage their debts, as well as encouraging investment in the least developed countries, is vital for achieving growth and sustainable development.

Partnerships For The Goals

Alnoor University received a delegation from the Open Educational College in Nineveh, headed by the College Dean and accompanied by a number of its officials. The delegation was welcomed by the President of Alnoor University, Professor Dr. Yassin Taha Al-Hajjar. During the meeting, discussions were held on the current status of the college and the developments it is witnessing, in addition to reviewing its efforts to update academic programs and enhance the academic landscape. The visit concluded with an introductory tour of the university, during which the delegation toured several scientific and administrative facilities to become acquainted with the university's environment and capabilities.
