17 PARTNERSHIPS FOR THE GOALS

The world today is more interconnected than ever before. Improving access to technology and knowledge is a crucial way to exchange ideas and foster innovation. Additionally, coordinating policies to help developing countries manage their debts, as well as encouraging investment in the least developed countries, is vital for achieving growth and sustainable development.

College of Education

Chaired by Professor Dr. Mohammed Basil Qasim Al-Azawi, a faculty member in the Department of English at the College of Education, Alnoor University, the Master's thesis defense of student Sara Ismail Khidr was held at the Department of English, Koya University. The thesis was entitled "*The Role of Educational Applications in Promoting Students' Engagement in EFL Classes: In-Service Teachers' Attitudes.*" This participation comes within the framework of strengthening scientific and academic cooperation among Iraqi universities and highlighting the contribution of Alnoor University's faculty members to academic examination committees, reflecting the university's distinguished standing and its active role in supporting scientific research and advancing academic standards.
