

Sustainable Development Goals

Quality Education

4 QUALITY EDUCATION

Access to education can enhance quality of life and prepare future leaders who will find solutions to global challenges. Providing education to children in technical, vocational, and entrepreneurial skills will serve as a foundation for sustainable development through scholarships and educational facilities, as well as eliminating gender disparities in access to education.

Sustainable Development Goals

Quality Education

In the presence of Professor Dr. Yassin Taha Al-Hajjar, President of Alnoor University, the university hosted Professor Dr. Akram Mahmoud Al-Badou, Head of the Scientific Promotions Committee at the University of Mosul, along with members of the committee, in a scientific workshop organized by the Law Branch at the College of Law and Political Science. The workshop was held within the framework of enhancing faculty members' knowledge of recent developments related to academic promotions and the challenges associated with them, in accordance with the regulations of the Ministry of Higher Education and Scientific Research. The workshop was also attended by the Scientific Assistant to the University President, the Deans of the Colleges of Law and Political Science, Pharmacy, Dentistry, Education, Engineering, and Engineering Technology, as well as the Secretary of the University Council.
