4 QUALITY EDUCATION

Access to education can enhance quality of life and prepare future leaders who will find solutions to global challenges. Providing education to children in technical, vocational, and entrepreneurial skills will serve as a foundation for sustainable development through scholarships and educational facilities, as well as eliminating gender disparities in access to education.

College of Law

In line with its commitment to enhancing the scientific and practical skills of its students and linking theoretical study with real-world applications, the College of Law and Political Science at Alnoor University, through its Career Development and Employment Unit, organized a field visit to the Juvenile Care Home in Mosul for its students. The visit was conducted under the direct guidance of the Dean of the College, Assistant Professor Dr. Ahmed Mustafa Ali, and accompanied by Assistant Professor Dr. Bashar Rasheed Hussein, Assistant Dean for Scientific Affairs, Lecturer Dr. Luay Hikmat Wahid, Head of the Career Development and Employment Unit, as well as Lecturers Dr. Hani Younis Ahmed and Dr. Hussam Zaidan Shaker, with the participation of a number of law students. The visit aimed to familiarize students with the operations of the Juvenile Care Home, its procedures for dealing with juveniles, and its role within the justice system, thereby broadening students' understanding and enhancing their practical knowledge of relevant legal aspects. At the conclusion of the visit, gifts were distributed to the residents of the Juvenile Care Home, reflecting the social and humanitarian values that the college strives to instill in its students.
