Sustainable Cities and Communities

11 SUSTAINABLE CITIES AND COMMUNITIES

Cities are hubs for ideas, trade, culture, science, production, social development, and other human activities. They play a crucial role in enabling people to achieve social and economic advancement. It is essential to mobilize support to ensure that policymakers are convinced of the need to include access to information in national and regional development plans.

Sustainable Cities and Communities

In the presence of Mr. Abbas Al-Yasiri, Advisor to the Prime Minister for Tourism and Antiquities, Professor Dr. Yassin Taha Al-Hajjar, President of Alnoor University, and Dr. Bashar Mahmoud Ali, Chairman of the University's Board of Trustees, and as part of completing its scientific landscape supported by a civilized and social infrastructure, Alnoor University inaugurated a new building designated for several of its colleges and academic departments, in line with its ongoing scientific expansion. The inauguration also included the new spaces allocated to the student center in its modern design, surrounded by attractive gardens that provide students with a clean, green environment conducive to a healthy and comfortable academic life. In addition, a meeting was held between the advisor and members of Alnoor University Council, during which topics related to archaeological tourism were discussed. At the conclusion of the visit, Alnoor FM Radio conducted an interview with the Advisor to the Prime Minister for Tourism and Antiquities, moderated by journalist Arkan Raad.
