### 11 SUSTAINABLE CITIES AND COMMUNITIES

Cities are hubs for ideas, trade, culture, science, production, social development, and other human activities. They play a crucial role in enabling people to achieve social and economic advancement. It is essential to mobilize support to ensure that policymakers are convinced of the need to include access to information in national and regional development plans.

## Sustainable Cities and Communities

In line with Alnoor University's commitment to strengthening channels of communication with centers of creativity and expanding its community service role, Shams Al-Salam Foundation for Development and Arts organized a charity market for handicrafts, accompanied by a fine arts exhibition showcasing talented artisans and artists, held on the university campus. The event aimed to support youth potential, encourage talented individuals to develop their skills, and provide them with an appropriate platform to present their creative works to a wide audience of students, faculty members, and visitors, thereby promoting a culture of creativity and self-employment. The activity witnessed notable participation by a number of gifted young people in the fields of handicrafts and visual arts, amid widespread appreciation of Alnoor University's role in embracing community initiatives and its continuous support for young talents, reflecting its humanitarian and cultural mission alongside its academic role.
