## Quality Education

### 4 QUALITY EDUCATION

Access to education can enhance quality of life and prepare future leaders who will find solutions to global challenges. Providing education to children in technical, vocational, and entrepreneurial skills will serve as a foundation for sustainable development through scholarships and educational facilities, as well as eliminating gender disparities in access to education.

# Sustainable Development Goals

## Quality Education

Within the framework of Alnoor University's support for creative student talents, Professor Dr. Yassin Taha Al-Hajjar, President of the University, received the University's Fine Arts Team, where they were honored in recognition of their artistic excellence and active participation. During the meeting, the University President praised the students for their artistic achievements, emphasizing that this recognition reflects appreciation for their talent and efforts, as well as the University Presidency's commitment to nurturing creativity across various non-academic fields that help shape students' personalities and highlight the University's cultural and civilizational image. In turn, the honorees expressed their sincere gratitude and appreciation for this generous gesture by Professor Dr. Yassin Taha Al-Hajjar, which represents a strong motivation for them to continue offering further creative contributions in the future.
