## Quality Education

### 4 QUALITY EDUCATION

Access to education can enhance quality of life and prepare future leaders who will find solutions to global challenges. Providing education to children in technical, vocational, and entrepreneurial skills will serve as a foundation for sustainable development through scholarships and educational facilities, as well as eliminating gender disparities in access to education.

# Sustainable Development Goals

## Quality Education

In the presence of Professor Dr. Yassin Taha Al-Hajjar, President of Alnoor University, and Mr. Mohammed Ibrahim Aboudi, Director General of Nineveh Education, Qutoof Foundation, in cooperation with Alnoor University, held a scientific meeting at the University campus, during which two scientific seminars were presented by two sixth-grade pupils from Qutoof Primary School. The meeting included a scientific presentation delivered by one of the teachers, followed by the distribution of commemorative shields and certificates to the participants in appreciation of their efforts and in encouragement of early scientific talents, and was attended by the Director of School Activities and the Director of Private Education as part of supporting scientific activities and strengthening communication between educational and academic institutions.
