

Sustainable Development Goals

Quality Education

4 QUALITY EDUCATION

Access to education can enhance quality of life and prepare future leaders who will find solutions to global challenges. Providing education to children in technical, vocational, and entrepreneurial skills will serve as a foundation for sustainable development through scholarships and educational facilities, as well as eliminating gender disparities in access to education.

Quality Education

In the presence of Prof. Dr. Yassin Taha Al-Hajjar, President of Alnoor University, and Prof. Dr. Nashat Mubarak, President of Al-Hamdaniya University, the Fourth International Scientific Conference on the English Language was launched, organized jointly by Alnoor and Al-Hamdaniya Universities under the slogan “Modern Trends in Applied Linguistics.” The opening included an exchange of commemorative shields and the awarding of certificates of appreciation, followed by the first research session attended by Dr. Bashar Mahmoud, Chairman of the Board of Alnoor University. The session was chaired by Prof. Dr. Mohammed Basil Qasim Al-Azzawi, with Dr. Haseeb Elias Hadid serving as rapporteur, and featured eight scientific papers addressing various themes in applied linguistics, reflecting academic diversity and rigor. The conference concluded with its fourth and final session, which included scholarly contributions by Dr. Ali Al-Manna and several researchers from different Iraqi provinces, chaired by Prof. Dr. Mohammed Nihad Ahmed, in the presence of an audience interested in linguistic and academic research. The conference comes as part of ongoing efforts to strengthen academic cooperation among Iraqi universities and to engage with the latest scientific trends in applied linguistics, contributing to the advancement of research and the development of linguistic studies.
