4 QUALITY EDUCATION

Access to education can enhance quality of life and prepare future leaders who will find solutions to global challenges. Providing education to children in technical, vocational, and entrepreneurial skills will serve as a foundation for sustainable development through scholarships and educational facilities, as well as eliminating gender disparities in access to education.

College of Pharmacy

In celebration of the top graduates of the College of Pharmacy in the Iraqi Creativity and Excellence Award examinations, Professor Dr. Yassin Taha Al-Hajjar, President of Alnoor University, in the presence of Dr. Omar Qutaiba Al-Layla, Dean of the College of Pharmacy, honored the college graduates Ghaidaa Sameer Thanoon and Baraa Muzal Thiyab, who achieved seventh and seventeenth place nationwide in the 2024–2025 Excellence and Creativity Award exam. The Excellence and Creativity Award is an annual competition organized across pharmacy colleges and departments in Iraq and includes a competitive written examination in which top graduates participate, aiming to highlight outstanding scientific competencies and promote a spirit of academic creativity and excellence. The participation of Alnoor University's pharmacy graduates was crowned with this advanced national ranking, reflecting the quality of education and academic rigor of the college and confirming the distinction of its graduates and their ability to compete at the national level.
