4 QUALITY EDUCATION

Access to education can enhance quality of life and prepare future leaders who will find solutions to global challenges. Providing education to children in technical, vocational, and entrepreneurial skills will serve as a foundation for sustainable development through scholarships and educational facilities, as well as eliminating gender disparities in access to education.

Quality Education

College of Law

In the presence of Dr. Bashar Mahmoud Ali, Chairman of the Board of Directors of Alnoor University, and as part of the Innovation and Entrepreneurship Week held at the university, the Department of Law at the College of Law and Political Science organized a scientific lecture on Sunday morning addressing the regulation of legal transactions. The lecture was delivered by notaries Ashraf Nizar Khattab and Zakaria Jamal Ahmed, who reviewed the mechanisms for certifying powers of attorney and legal notices, their types, and the key procedures involved in organizing them, highlighting their role in protecting rights and documenting legal dealings. The lecture was attended by a number of faculty members and students of the department and included scientific discussions that contributed to strengthening students' applied legal knowledge and linking theoretical concepts with practical work in judicial institutions.
