### 4 QUALITY EDUCATION

Access to education can enhance quality of life and prepare future leaders who will find solutions to global challenges. Providing education to children in technical, vocational, and entrepreneurial skills will serve as a foundation for sustainable development through scholarships and educational facilities, as well as eliminating gender disparities in access to education.

### College of Law and Political Science

The Department of Law at the College of Law and Political Science at Alnoor University organized a scientific seminar entitled “Student Disciplinary Instructions,” attended by a number of faculty members and students. The seminar was supervised by Assistant Professor Dr. Ahmed Mustafa Ali, Dean of the College. During the session, Dr. Bashar Rasheed addressed the topic of disciplinary sanctions, explaining their types and mechanisms of implementation in accordance with the approved legal regulations, and highlighting the philosophy of discipline based on correction and reform before deterrence. Meanwhile, Dr. Rana Saad Shaker shed light on disciplinary violations, outlining the most common infractions that may occur on or off campus and their impact on a student’s academic journey, emphasizing the importance of awareness of rights and responsibilities in line with university values. The seminar witnessed active engagement from attendees through questions and contributions that enriched the discussion, as part of the College’s efforts to strengthen academic discipline and foster a university environment founded on respect and responsibility. The workshop was also attended by Professor Dr. Nizar Abdul Latif, Dean of the College of Applied Arts.
