

Sustainable Development Goals

Quality Education

4 QUALITY EDUCATION

Access to education can enhance quality of life and prepare future leaders who will find solutions to global challenges. Providing education to children in technical, vocational, and entrepreneurial skills will serve as a foundation for sustainable development through scholarships and educational facilities, as well as eliminating gender disparities in access to education.

Quality Education

College of Education

Under the supervision of Professor Dr. Khazal Fathi Zaidan, Dean of the College of Education at Alnoor University, the Department of Arabic Language organized a scientific workshop titled “The Integrity of the Arabic Language.” The workshop included a lecture delivered by Assistant Lecturer Asmaa Khalil Ibrahim entitled “Common Errors in Drafting Official Documents,” in which she reviewed the most frequent linguistic and spelling mistakes found in official correspondence and documents, presenting practical examples that demonstrate correct writing methods. The workshop was attended by a number of faculty members and students, and featured discussions and scholarly interventions that emphasized the importance of preserving the integrity of the Arabic language and enhancing its proper use in academic and administrative institutions.
